

Date: _____

To whom it may concern:

According to the “DHS Cybersecurity & Infrastructure Security Agency (CISA), there are 14 employment categories that the agency identifies as Essential Critical Infrastructure Workers. These include:

1. Health care and public health workers”

Home-based and residential based care for seniors, adults, and children “Essential Healthcare Operations” and exempt from any “Stay Home” or Shelter in Place”.

_____ is an essential employee providing personal care services and is able to leave their residence to provide these essential healthcare services in the community.

Thank you,
